~~Love never fails. It always protects, always trusts, always hopes, always perseveres. Love never fails. But where there are prophecies, they will cease; where there are tongues, they will be stilled; where there is knowledge, it will pass away. Love never fails. Love is patient, love is kind, love does not envy, love does not boast of its superiority, love is not proud, love is not jealous, love is not wrathful, love does not seek its own interests, love does not become angry, love does not keep a record of wrongs, love does not rejoice at the downfall of others, love is gentle, love is pure, love is kind, love is faithful, love is trustworthy, love is patient, love is kind.~~
