Remembering Our Legacy, Fulfilling Our Destiny

Fighting The War For Your Family

Satan has declared war on the family. The Bible reveals that he is our great adversary (1 Peter 5:18). He has taken dead aim at the family. It is His purpose to destroy families. He knows that if he is successful in this, He can impact every other institution – the church, the government, the schools, the society. The family is the foundation of everything else. As the family goes, so goes the church, the government, the schools, and even our society. This is why Satan has a hatred for the family and why he has made it his target.

As a man, a husband, and father, you are crucial in this warfare. In this war for the family, you must remember the following truths:

- *God has appointed you as the head of the family.*

God has put you as the first line of defense for your family. God calls you to stand for your marriage and your family.

- *Satan wants to neutralize husbands/fathers.*

Satan desires to tempt and lead men into ineffective leadership in their families. He wants men to forsake their responsibility to lead and stand for their family. He longs to direct men to ignore or reject their God-given calling.

- *Satan has two basic strategies.*

In this war on the family, Satan has two strategies that he seeks to carry out. First, he wants to alienate husbands from their wives. Second, he desires to alienate husbands from their children. This is his “divide and conquer” strategy. He realizes that if he can keep husbands from developing strong relationships with wives and their children, he can accomplish his devious purposes.

God is calling men to fight for their families! The primary way to do this is through prayer. It's not the only weapon we have. It's not the only thing we are to do for our families. Yet, it is the primary weapon and tool in helping protect and direct our families. This issue is dedicated to helping you pray for your wife, your marriage, and your children. We must fight for our families from our knees. We can win if we will seek God for our marriages and families!

Praying For Your Wife

As the spiritual leader of your home, your top priority is to pray for your wife. If you are not praying for your wife, it is going

to be difficult to minister to her and to provide her the leadership that she needs. You are opening the door for the enemy to attack your relationship. At the same time, you will not be sensitive to her. Prayer sensitizes you to her burdens and needs.

As you pray, God enables you to overcome selfishness and develop a love for her that far surpasses the love that you felt on your wedding day.

The following prayer list is offered as a guide to help you in praying for your wife. You can combine these requests with those for her safety and the needs of the day. Ask the Holy Spirit to give you insight on how to pray for her. Plead with the Holy Spirit to make these requests a reality in her life. Plead with Him to conform her life to the Word of God.
