Do you know how powerful your words are? They have the power to put you in defeat or get you to a place of victory. In proverbs the author tells us that life and death is in the tongue and those who use it will eat the fruits from it. Scary in one way, but also powerful in another way. Jesus knew the power of His father living in Him. He knew His authority and understood the principle of proclamations.

Derek Prince described it so beautifully; the more you pray scripture over your situation the more you will start to change your consciences, the more you believe, Gods power will grow, the more faith you will have, the more powerful your prayers will become. The more we pray out loud the more we will believe what we are praying will come to pass.

A Professor of psychology, once claimed that the more you hear your own voice proclaiming stuff, the more your heart starts to believe it. With everything in any principle, to start proclaiming will take time and effort. Things will not change overnight, but if you are diligent in this, you will surely reap what you sow. To have faith one needs patience. The problem with most believers is that they want to do something once or twice, and then they want to see the results.

Like many athletes today, you can ask them how many hours they trained to get their desired results. Some of them train days sometimes months. Sometimes we will stand for a breakthrough, pray day and night diligently for months and sometimes years and we see nothing happening. Most people give up and say that Gods word doesn't work. The key is to keep on going till your breakthrough comes. If you see nothing happening in the natural it doesn't mean that nothing is going on in the spiritual.

*"These things I have spoken to you, so that in Me you may have peace. In the world you have tribulation, but take courage; I have overcome the world." **John 16:33***

God is a faithful God and His word will never return void to you and me, but will accomplish everything we send it to. Keep on praying for a loved one or a situation you want to change, don't give up. We serve an Almighty God who sends His son to die for us so that we can have the fullness and power of His victory in our daily lives.

and a garden causes seeds to grow,
so the Sovereign LORD will make righteousness and praise
