*wrong," says the LORD of hosts. "So take heed to your spirit, that you do not deal treacherously."*

Divorce was never in Gods plan for his people. God hates divorce and we as the church can justify this so much we won't to, to justify divorce. But if we can understand what God really meant with marriage you will see that divorce doesn't really make a lot of sense. Jesus came to demonstrate Love to us, Gods love for His people. Yes I hear you saying but my wife or husband said that they don't love me anymore and they divorced me. Yes that may be true but let me share Gods take on your situation.

*"Your word is a lamp to my feet and a light for my path. I have taken an oath and confirmed it, that I will follow your righteous laws. I have suffered much; preserve my life, O LORD, according to your word." Psalm 119:105-107*

God send His son to die for us, we didn't deserve it because we rejected me and crucified Him. Most of His own people double crossed Him. So called believers was in the front line wanting to kill Jesus. Remember the Lord said that if you choose to follow Him that people will also try to crucify you, for standing up for Gods standard. The answer for any marriage hurting or dead marriage is Jesus Christ. I honour each and every stander standing for the restoration and resurrection of their marriage. Choosing Gods solution and ways, not the worlds.

Don't let people or your circumstances get into your head. Focus on your Lord and saviour. Divorce time is long over due, its time we as the church will be bold and stomp divorce out the body of Christ. We may be a few doing this crazy thing, but know God will honour your courage in trusting Him for the healing of your marriage. We are growing and more and more people are

realizing what's the truth about love and sacrifice. More and more spouses are choosing to sacrifice there life's for there beloved.

Arise church, Arise Jesus time is now. Stand strong, stand and know who the one is backing you 100%. Just think what testimony you will have to Glorify God with. I believe that many will be saved because you never gave up on your marriage even when it seemed dead from the outside.

Be strong and see your VICTORY in Christ.
