---

What are the things that make a true champion? What are the things that make a true champion? What are the things that make a true champion? What are the things that make a true champion? What are the things that make a true champion? What are the things that make a true champion? What are the things that make a true champion? What are the things that make a true champion? What are the things that make a true champion? What are the things that make a true champion?

# What makes a true Champion?
