### Love like WALL – E

This animation intrigued me so much , when I watched it a while ago on the television , while I was watching the Lord showed me so awesome revelation about how His Love is for us and how He want us to love each other.

Our hero Wall - E is a robotic trash compactor who has been quietly doing his job, attacking endless mountains of garbage on a truly frightening-looking Earth. He is a lone ranger, the only one left of His kind. All he had to his disposal was a little cockroach as a friend and an old container containing some junk and an old TV set. Wall E had a great passion for love, even though he never experienced it him self he looked at old movies and saw how the two people could share love for each other.

He had a deep longing for a companion for someone who could be His counterpart. This situation of Wall – E takes me back to the beginning of creation when God created man and beast.

### *Genesis 2:18 - 23*

*2:18 The Lord God said, "It is not good for the man to be alone. I will make a companion [56](#) for him who*

*corresponds to him." 2:19 The Lord God formed out of the ground every living animal of the field and every bird of the air. He brought them to the man to see what he would name them, and whatever the man called each living creature, that was its name.*

*2:20*

*So the man named all the animals, the birds of the air, and the living creatures of the field, but for Adam no companion who corresponded to him was found.*

*2:21*

*So the*

*Lord*

*God caused the man to fall into a deep sleep, and while he was asleep, he took part of the man's side and closed up the place with flesh.*

*2:22*

*Then the*

*Lord*

*God made a woman from the part he had taken out of the man, and he brought her to the man.*

*2:23*

*Then the man said, "This one at last is bone of my bones and flesh of my flesh; this one will be called 'woman,' for she was taken out of man."*

So The Lord saw that it was not good for a man to be alone, so he made him a counterpart, a helpmate and companion. Well back to Wall E , one day Wall E was doing what he usually do on a day and suddenly everything changed. A rocket ship lands, and another machine, a droid named Eve, arrives. What happens between Wall-E and Eve, and how they connect is so amazing , they do what two new lovers usually do , they hold hands , learn what's each likes and dislikes etc. But as the time went on ,suddenly Eve shut down and was Cold and hard to Wall E , he didn't understand what was going on , but he kept loving and taking care of her the same way he did before she got cold and mean towards him. He just new that this coldness was an passing thing, he had a love for her that no man or robot can take it away from Him. As the story continues the rocket ship came back and took eve with it , Wall E was devastated , but he didn't lose hope , he followed the rocket ship and immediately when he got onboard he looked for Eve , at that point Eve was back online but a different robot , not the loving kind one Wall E new back on earth.

Near the end of the animation Wall E was almost killed because of the Love he had for eve , He was willing to sacrifice His own life for her and he didn't care if she loved him back or not. At this point when this happened something snap in Eve and suddenly her harden heart cracked and it became soft as a sponge, she immediately came to her sense and realised how much Wall E really cared for her.

*2 Timothy 2:26*

*“and that they will come to their senses and escape from the trap of the devil, who has taken them captive to do his will.”*

Do you maybe know of someone who has changed in front of your eyes , a soft tactable heart becoming harden by life's circumstances or temptations? Well don't lose hope, the Lord can change the hardest heart into the softest heart.

*Jeremiah 23:29*

*Is not my word like as a fire? saith the LORD; and like a hammer that breaketh the rock in pieces*

Declaring Gods truths (what is His word) over a person or your circumstances, have the power to change it drastically. Believe in Gods word and the power of His word, the Bible is not a History book, no it's living and powerful and it got exactly the same power it had 2000 years ago. So dear reader start speaking Gods word and proclaiming it boldly, nothing can stand against His word.

*Hebrew 4:12*

*For the word of God is living and active and sharper than any double-edged sword, piercing even to the point of dividing soul from spirit, and joints from marrow; it is able to judge the*
