We Will STAND

'One by One the free Lands of Middle earth fell to the power of the ring, but there were some who resisted, a last alliance of men march against the armies of Mordor, making there stand for the freedom of men'(Lord of The Rings)

This phrase give me chills every time I read it, my version of the phrase could be something like this:

'One by One the marriages of earth fell to the power of the evil one, but there were some who resisted, a last alliance of men and women march against the armies of divorce and separation, making there stand for the freedom of there spouses'

Dear stander know that your in the army now, a army leaded by our commander and chief, the King of Kings and the Lord of Lords Jesus Christ, He will train our hands for battle, He will show us exactly what we must do to defeat this evil that spread like a disease into our families and into our marriages. This evil now one seems to know what to do or how to fight it, so many husbands and wife's are prisoners of war. But there are hope against this Evil. A man died for us and for our prisoners of war, He died and gave himself for us, He gave Him self as a living sacrifice so that we can Stand against anything this world or the Enemy throws at us.

Proverbs 24:6

for waging war you need guidance, and for victory many advisers.

Commit yourself to the Lord and He will give you guidance to Victory, the Victory is ours. Praise God for His mighty power, I dare you to pray longer, I dare you to praise harder, I dare you to Fast more AND STAND STRONGER. Were in a battle field what will a soldier do when he is in battle will He get weary and weak or will He stand up and fight with His commander till the battle is won.
