Walking in the Wilderness

~Psalm 136: 16~

“(Praise) to Him (God) which led His people through the wilderness, for His mercy endureth forever.” □

Sometimes in life we will on a day suddenly, unexpectedly find ourselves in the Wilderness, and then we don't really know how did we get here and what must we do now? Many of us lose hope because usually we find ourselves wanting, not knowing what to expect next. so busy with our own life's we don't really take notice of the navigators warnings or instructions, and then suddenly we find ourselves far of the main road in the wilderness.

Isaiah 30:21

The navigator I'm talking about is the one living in you, the Holy Spirit, He will lead you, instruct you and show you the way you must go, BUT the decision you MAKE is always up to you. Psalms 23:3

He restores my soul; He guides me in the paths of righteousness For His name's sake

Well lets say were in the wilderness , it could be that your husband or wife suddenly left you, it could be that you experience financial difficulties, no matter in which circumstance you may find yourself, just know that God have a escape route for you, what will lead you back to His main Road.

Psalm 27:11

Teach me your way, O LORD; lead me in a straight path because of my oppressors

Isn't that great news, the Lord love us so much that even if we lost track of Him ,He still Love us so much that He will do anything to help us to get back to Him. I know of many people who took there focus of Jesus and placed their focus on worldly trends, and when that happens we slowly but surly go of the path in to the wilderness. Put your focus back on Jesus and He will be your light in the Darkness, He will lead you back to the way of everlasting.

Psalm 18:30

God's way is perfect. All the Lord's promises prove true. He is a shield for all who look to him for protection.

Psalm 86:11
