Firstly I want to thank our Lord Jesus using me to build out His Kingdom here on earth may You Lord get all the honor and Glory for every marriage that's healed and restored.

Then I want to give thanks to my friends and family supporting me through my stand and supporting this site.

Thank you Francois at [Ideal marketing](#) making this site possible.

Thank you Sean for checking my grammer and spelling.

And this site is also dedicated to my loving wife, may Gods grace be with you always.
